

North London Outdoor Group

How to get to Barnet Everyman using public transport

The usual meeting place for Group Transport for weekends away and Saturday or Sunday walks is outside Barnet Everyman cinema (formerly Barnet Odeon) This is about ½ km south of High Barnet underground station on the Great North Road (A1000) at the junction of Station Road. For Sunday day walks we usually meet at 9:20 a.m. for a 9:30am departure outside Barnet Everyman. On most weekends, we leave Friday evening at about 6.00 p.m. but may need to leave Friday afternoon for long distance weekends. For shorter distances, we can leave later. For some local weekends, we leave Saturday morning. We return Sunday evening (Monday evening for Bank Holidays).
